WIND AND HAIL.

Storm Plays Havoc in Upper Carolina Monday Afternoon.

Greenville News Aug.—20.

A terrific wind and hail storm
struck this section on Monday
afternoon. A number of build-
ings were completely wrecked,
trees were blown down, corn and
cotton in many places utterly
destroyed by the fierce, raging
wind and pelting hail.

The storm raged for only a
brief time, but played havoc
with everything it came in con-
tact with for miles around Green-
ville. Nearly all the telephone
wires of the upper portion of the
State were blown down, and as a
result it was impossible on yes-
terday to secure communication
by telephone with any of the
towns in this section.

The people in every case, how-
ever, were out of their houses
when the storm struck and no
one was injured. A number of
cattle were killed and other
property was seriously damaged.

The storm was very slight in
the city of Greenville. Beyond
the blowing down of a few trees
and the breaking of a few win-
dow panes, there was no further
damage done. The wind, how-
ever, hurled the dust through
every street with terrific rapid-
ity, chasing around the corners
like an enraged lion, murmuring,
growing, screeching and blow-
ing.

R. Y. Rosemond, who lives on
the Sandy Flat road near Moun-
tain Creek church, had recently
completed a handsome residence
one of the best in the commu-
nity. As results of the wind, it is
now a complete wreck. In the
same neighborhood, numerous
trees were uprooted by the wind
and the corn fodder was split
into strings by the hail.

On Roy McBee's farm, about
three miles from Greenville, on
the Laurens road, a large barn
was hurled to the ground, dam-
aging a threshing machine, wagon
and buggy. A mule which was in
the barn at the time was badly
injured. The raging wind also
made a rake at the house on the
place occupied by Mr. John
Hammond. The stove chimney
was blown down, several planks
on the piazza floor were torn
loose, and for a time it was
thought that the entire house
would be destroyed. There was
great excitement produced on
the place, but no one was in-
jured.

F. Marion Evans, who lives
near Mr. McBee's farm, had a
cow killed by the lightning and a
fifteen acre field of cotton, that
gave promise of a ten-bale yield,
was totally battered to ruin.
He says that his corn since the
wind on Monday afternoon looks
as if a heavy log had been rolled
over it.

Several trees were uprooted
on William Lock's place near
Taylor's station, one of them
falling on Mr. Lock's barn and
smashing it in pieces. There
were several head of cattle in
the barn, but they managed in
some way to escape any serious
injury.

The corn and cotton in the
neighborhood of McCarters was
badly damaged by both the rain
and hail.

At Piedmont no further dam-
age was done than the blowing
down of a few telephone poles.

The War in South Africa.

London, August 21—Special
dispatches from Pretoria an-
nounce that Gen. Dewet bivou-
acked fifteen miles from the
city, and that Col. Mahon was
briskly engaging him yesterday
(Monday) morning.

The Pretoria correspondent
of the Standard wiring yester-
day says:

"The trial of Lieut. Cordua,
of the Staats Artillery, charged
with being concerned in the
plot to kidnap Lord Roberts,
was resumed to day. The pub-
lic prosecutor addressed the

Court in a moderate speech,
contending that the prisoner
was earnest in what he did and
that there was no evidence be-
fore the court that Gano origi-
nated the plot. The Court ad-
journed until to-morrow, when
the Judge Advocate will sum-
up."

London, Aug. 20.—The war
office has received the following
dispatch from Lord Roberts:
"Ian Hamilton captured two
Krupp guns at Oliphant's Nek
August 17. Three British were
wounded."

"Hamilton engaged the Boers
all day August 19, at Rhode
Kopjes and Crocodile River.
There were few casualties."
"Rundle reports that 684 Boers
surrendered in the Harrismith
district August 19."

A Minister's Good Work.

"I had a severe attack of bilious
colic, got a bottle of Chamberlain's
Colic, Cholera and Diarrhoea Remedy,
took two doses and was entirely
cured," says Rev. A. A. Power,
of Emporia, Kan. "My neighbor across
the street was sick for over a week,
had two or three bottles of medicine
from the doctor. He used them for
three or four days without relief,
then called in another doctor who
treated him for some days and gave
him no relief, so discharged him. I
went over to see him the next morn-
ing. He said his bowels were in a ter-
rible fix, that they had been running
so long that it was almost bloody
flux. I asked him if he had tried
Chamberlain's Colic, Cholera and
Diarrhoea Remedy and he said, 'No.'
I went home and brought him my
bottle and gave him one dose; told
him to take another dose in 15 or 20
minutes if he did not find relief, but
he took no more and was entirely
cured." For sale by J. F. Mackey &

A Life and Death Fight.

Mr. W. A. Hines of Manchester, Ia.,
writing of his almost miraculous es-
cape from death, says: Exposure
after measles induced lung trouble,
which ended in Consumption. I had
frequent hemorrhages and coughed
night and day. All my doctors said I
must soon die. Then I began to use
Dr. King's New Discovery for Con-
sumption, which completely cured me.
I would not be without it even if it
cost \$5.00 a bottle. Hundreds have
used it on my recommendation and
all say it never fails to cure Throat,

PEKIN IS BURNING.

Resulting From the Bombard- ment By The Allied Forces.

Chefoo, Aug. 20.—The allies
have not yet conquered Peking.
Fighting is still going on in
the streets and the city is burn-
ing. Exploding shells set fire to
the place. The flames are sweep-
ing a large part of the city.

Washington, Aug. 20.—The
bureau of navigation received
this morning the following cab-
legram from Admiral Remy dated
Taku, August 19:

An authentic report from Pe-
kin, dated the 15th, sent by Lieut.
Latimer, says: The troops are
moving on the imperial city and
clearing out the Tartar city. All
the Americans who remained at
Peking are well, except one child.
Capt. Meyers has recovered from
his wound, but now has typhoid;
but the crisis has passed and he
is now convalescing. Assistant
Surgeon Lippett is recovering.
The following were killed dur-
ing the siege of Peking: Sergeant
Fanning; Privates King, Tucker,
Kennedy, Thomas, Turner, Fisker
Wounded: Privates Schread,
er, now dangerously ill with fe-
ver; J. Mitchell, seaman, severe-
ly, but recovering. All others
wounded and sick have returned
to duty. A report from Chinese
sources says the royal family
have escaped and are en route to
Sien Fo.

Washington, Aug. 20.—The
Chinese government, through
Li Hung Chang, has made ap-
plication to the United States for
the appointment of Minister
Conger or some other American
official with authority to open
negotiations for the establishment
of peace, and fixing definite
terms for the present trouble.
The Chinese ministers
made the application to day to
the state department, and ex-
pressed willingness to conduct
negotiations at any point desired
by the powers. It is expected
this will be at Peking or Tientsin.
A similar proposition has been
made by Karl Li to all the pow-
ers.

Berlin, Aug. 20.—The foreign
office has received a dispatch
from the German consul at Che-
foo of today's date, saying that
the dowager empress is believed
to be inside the palace at Peking
and that the allies are bombard-
ing the fortifications.

Berlin, Aug. 20.—Field Mar-
shal Von Waldersee, accompan-
ied by his staff, left Berlin this
morning for China, via the Pa-
cific.

Simla, India, Aug. 20.—A fur-
ther contingent of Indian troops
sailed for China today.

London, Aug. 20.—Mystery
surrounds the whereabouts of
the empress dowager and the
emperor. Some reports assert
she fled from the capital several
days ago; others say she is still
in the city. Li Hung Chang
corroborates the former report,
while the latter emanates from
native source hitherto trustwor-
thy.

London, August 20.—Japanese
cavalry have left Peking in pur-
suit of the dowager empress and
her treasure, which protected by
30,000 troops, have already ar-
rived at Wu Tai Sun, in Chansi
province. A customs cruiser is
reported as having gone to Tien
Tsin to take away the foreign-
ers rescued from Peking.

HANNA OPENS THE CAM- PAIGN.

He Tries to Fool the People by
a Boast of Prosperity, but
Only a Sham that Cannot Last
—The People's Money is Be-
ing Lavishly Spent in Useless
Cruel Wars and Those Who
Get the Money Cry "Prosperi-
ty, Prosperity!"

New York, Senator Hanna,
chairman of the Republican na-
tional committee, opened the
campaign of the Republicans of
New Jersey at Asbury Park, N.
J., tonight. An immense crowd,
more than could be accommodat-
ed, gathered in and about the
auditorium by the seashore. The
Senator was roundly cheered
when he entered the building.
He was introduced to the audi-
ence by Frank Appleby, presi-
dent of the Asbury Park city
council. Senator Hanna, after
thanking the audience for the
hearty reception accorded him,
said:

"We are on the eve of a po-
litical campaign second to none
in importance, one on the issues
of which depends the prosperity
of the country. But I leave the
discussion of that matter to ab-
ler hands, to those who will soon
address you.

"I want to sound a note of

warning tonight, which the im-
portance of the campaign just-
ifies. I want to call your atten-
tion to the duty before you, not
only to individuals, but to the
whole country. This is a duty
that is not transferable. It cannot
be placed on your neighbor. It
is your individual duty.

"The time is at hand when
every man is called on to con-
tribute what he can to perpetu-
ate this Administration. It has
been demonstrated beyond doubt
that the policy of the Republican
party and of President McKinley
(applause) stands for everything
which means the welfare and
well being of the country at
large.

"You cannot shirk this duty
because every man who has any
property must feel that it is his
fight as much as anyone's and
that he must fight for his own
interests.

"A note of warning has come
from the national Republican
headquarters. I am responsible
for that. (Cheers) I know the
contest which is before us and I
can tell you that you
cannot afford to take anything
for granted or to miss a trick.
(Laughter and applause).

"We are confronted with a
dangerous foe and Bryanism is in
the balance and if it is killed now
it is killed forever.

"I will now quote from one of
Gov. Roosevelt's speeches, re-
cently delivered by him, in
which he says:

"Every man who loves his
country is called upon now to
stand shoulder to shoulder to
maintain the prosperity which
has given us so much."

"That is materially true.

"There have been two objec-
tions presented to the people
of this country. In 1892, under a
Republican administration, we
found ourselves in prosperity,
the spindles were all busy in the
factories and industries were busy
on every hand. Then came a
change. The people said they
wanted a change and they got it.

"I will not picture to you how
labor was then out of employ-
ment and how, month after
month, it grew worse. You know
all about that as well as I can
tell you.

"Then people wanted an-
other change and they got it.
And what a change it was, and
how the spindles began to spin
again in the factories, resulting
in happy homes and firesides all
over the land.

"Now, do you want another
change and go back to the condi-
tions that prevailed in 1897?
(Cries of 'No, no.')

"Then you must do your duty.
I want New Jersey to set an ex-
ample to the whole country—
one that shall be seen and recog-
nized all over the land. (Ap-
plause.)

Over confidence is the worst
feature of this campaign. No one
can be blamed for confidence in
what the outcome will be after
three years of President McKin-
ley, but remember that we have
an enemy which may be called
the 'cuckoo' party, which is com-
posed of men of every shade of
political opinion, every crank
and every Nihilist. They are all
against us. We must be active
and it is to impress this upon you
that I am here tonight, and to
tell you your plain duty. In con-
clusion let me say you must not
neglect it."

Senator Hanna was followed
by Col. Curtis Guild, Jr., of Bos-
ton, who spoke at length on the
issues of the campaign.

It has been demonstrated by experience
that consumption can be prevented by the
early use of One Minute Cough Cure. This is
the favorite remedy for coughs, colds, croup,
asthma, grippe and all throat and lung trou-
bles. Cures quickly. Crawford Bros. d-w-s
